

Middlesex University has been ranked as the best modern university in London for research power

Based on the result, in the Research Excellence Framework (REF), undertaken for all Universities in the UK, Middlesex was ranked as the best modern University in London for research power.

This ranking marks the notable development in many research areas in Middlesex, and also shows that 92% of Middlesex's research is internationally recognised. See here for more details: <http://www.mdx.ac.uk>

We are proud to be the exclusive partner of Middlesex University in Greece, for Art & Design, for over 20 years.
